Living in a Material World

Seek first the kingdom of God and His righteousness, and all these things will be added to you. Matthew 6: 33

We attain enlightenment when we love truth for the sake of truth, and not for the sake of self-promotion or worldly gain. *Arcana Coelestia* 9424

Thought for the Day

One of the great challenges in life is to continually focus on spiritual matters and not on material gain. We live in a culture that says that money defines success.. That owning the right "things" will make us happy. This attitude is throughout our system. The media counts on our belief that "more is better" and that we should own "things". Our economy counts on this attitude.

It is no wonder that putting our spiritual goals first is a difficult. It is easy to understand why it is a continual challenge for us to put the Lord first in our lives. If we let our guard down, we can easily forget how primary that relationship can be.

Peter and Lisa's visit

Peter and Lisa are arriving (international airport) on Wednesday 28th September via Air New Zealand at 6.50pm.

They will be staying with the Smuts family, and anyone desiring to make appointment time for counseling/discussion/ socializing etc or join in for breakfasts and meals, please contact Mary.

Below is a programme of the events scheduled. Peter likes "spill over time" for discussion talk that can arise so he has particularly asked not to rush around but to allow time for meeting with people.

The Public Lecture (the topic still to be confirmed) will be advertised if possible on Sonshine FM.

Please consider bringing along some friends who are hungry for knowledge or have a need that may be filled. Our desire is to reach out to the community with the Lord's truths that can help people in their personal lives.

Also of course bring friends along to class to discover the wonderful truths that are available to everyone through the New Revelation.

From the programme we can see that Peter is fulfilling many uses during his stay here. We are blessed to have this opportunity.
